RULES FOR BEROYA

Beroya ('Bounty Hunter' in Mando'a) is a simple dice game in which players build the pot, call out a number, and roll to see if they can hit that number and win the pot.

SETUP

Two Six Sided Dice - Beroya employs six-sided dice, usually marked either with Aurebesh,

Prize Pot - Player wagers are placed in the prize pot.

GAMEPLAY

1. THE CALL

Choose the first caster. The player must call out a number between 2 and 12. That player then places a wager into the pot.

2. THE CAST

The caster rolls the dice. If the sum of the two dice matches the number they called, they win the pot. If the player rolls Double Spike (1/1) they win the pot. If not, play passes to the next player.

WINNING THE GAME

Each player takes a turn as caster. The pot will grow with each unsuccessful throw. Play continues until the pot is won.
